# WAR GAMES

War games combine strategy and action for the most engrossing games you'll find online. Here is a collection of our top war games for you to play.

The battle begins here.

What battle, you ask? What you like! Go to war in historic settings or in fantasy realms?

Simple controls are an integral part of our war games, meaning you'll have no trouble leading your army into battle. Most war challenges feature picture buttons and icons which are easy to understand and simple to use. When going into battle, the commander must be prepared, and our battlefield games will brief you and give tips along the way.

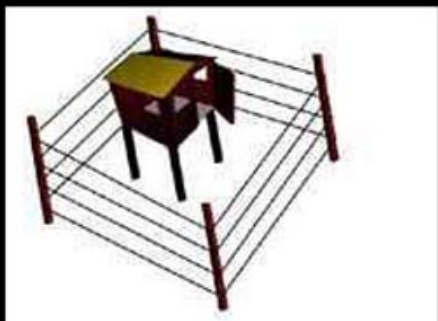

The fog of war is coming upon you, master the book of Sun Tzu «art of war» and bring victory for you, the big king in the world.

Play some war games...or not.

This book is not a web platform with less than 2 or 3 users from all over the world. For our younger fans we've created book 'fat Kids'. It's our mission to become the ultimate online playground where players and game developers never come together to never play and create. Please don't let's play!
